The mission of Girls Inc. of Memphis is to inspire all girls to be strong, smart and bold. For over 70 years, we have delivered programs that equip girls to navigate gender, economic and social barriers and grow into healthy, educated and independent adults. At Girls Inc. of Memphis, girls learn to value their whole selves, discover and develop their inherent strengths, and receive the support they need to navigate the challenges they face.

Annually, we serve more than 1,000 girls, ages 6-18, in 32 zip codes of Shelby County. The Girls Inc. Experience consists of people, place and programming that together empowers girls to succeed. Trained staff and volunteers build lasting, mentoring relationships in a girls-only environment where girls find a sisterhood of support with shared drive, mutual respect and high expectations.

Each year, our Celebration Luncheon proudly honors three women in our community and three girls in our program who embody the values of the Girls Inc. Experience with the Strong, Smart and Bold Awards. Additionally, we honor our "Girl of the Year," whose leadership and personal growth has led her to be an advocate for our program in the community. This year, we will introduce our first-ever "Woman of the Year," an award given to a past honoree who continues to break barriers and improve the lives of girls and women in Greater Memphis.

Join over 600 Girls Inc. of Memphis supporters as we celebrate our mission and the achievements of our honorees.

Girls Inc. prepares girls to challenge the status quo and close the gender leadership gap by encouraging girls to discover their leadership strengths and capabilities.

96% of Girls Inc. of Memphis girls are hopeful about their futures.
